Kept back in office as by bulky & will be sent if required

The Notification below has been compared with the previous one published in the Mysore Gazette of 4/3/97 Part II pp. 229 and 230. With the following 2 exceptions they correspond with one another.

(1) In the present Notification, the outgoing traffic is proposed to be tolled as well as the incoming traffic as ~~hitherto~~. This was sanctioned in Pro cio $\frac{4169 \cdot 75}{L\text{-}7\ 111 \cdot 94}$ of 8/10/97

(2) The President states that para 11 of the present Notification treating as unladen carts, those laden with bone or other substance for use as manure, has been newly added on the representation of the P. Hay and others that such a

concession has been allowed in the Coorg Province. With reference to this it is submitted that the toll rules sanctioned by the Govt of India (Vide sl 1 in L. F 111 of 1894) do not authorize the partial remission of tolls similar to that now recommended and it is a matter for consideration whether such exemption may be allowed. Para 5 of the rules authorizes total exemption in favor of military stores or equipages of Police officers on duty. or of any property belonging to Govt. This office is not aware whether Coorg rules admitting of such exemption

in the absence of provisions authorizing the same.
